JOB TITLE

Highly motivated and adaptable Software Engineer with a unique blend of creativity, innovation, and leadership skills acquired from an extensive banking background. Passionate about delivering visually appealing and user-centric projects, I bring a strong problem-solving mindset and a collaborative approach to every task. Seeking a dynamic role in a progressive company to contribute to cutting-edge software development and drive impactful user experiences.

TECHNICAL SKILLS

JavaScript, React, Gatsby, Ruby, Ruby on Rails, SQLite, HTML, CSS

TECHNICAL PROJECTS

Lotus Lucy - Github | Demo
Application made to facilitate orders for a flower shop.
- Developed the website frontend using React.js.
- Utilized React Bootstrap and CSS to create a frontend design that is attractive and easy to use.
- Built a RESTful API with CRUD functionality using Ruby on Rails which allows a user to create, read, update and delete an order.
- Integrated user authentication and authorization by using Sessions, and React Hooks.

Berry Social - Github | Demo
Agenda-like application for event planners to keep track upcoming events, vendors, and clients.
- Utilized Ruby on Rails with SQlite to create an API that stores user data upon registering and retrieves user data when logging in.
- Applied user authentication using Bcrypt to protect users and their clients information.
- Achieved seamless real-time CRUD functionality allowing users to create, edit, update, delete data for multiple tables
- Created user friendly UI using React.js and CSS for styling.
- Rendered a calendar using React-Calendar to help planners manage their events.

EXPERIENCE

Wells Fargo Bank   Lodi,NJ
Personal Banker, Lead Teller, Cssr, Teller   07/2013 - Present
- Develop strong customer relationships by proactively engaging in conversations and understanding their financial needs, resulting in consistently high customer service ratings.
- Assist customers with complex needs, including opening new accounts, processing credit applications, and fulfilling service requests.
- Educate other team members on policy and procedures throughout the day, minimizing risk and promoting compliance.
- Adapt quickly to evolving policies, regulations, and company changes to ensure the protection of customers and team members.
- Demonstrated leadership skills by leading the teller team and providing additional support to the operations manager.
- Currently hold a Branch Manager Designee position, actively preparing for increased responsibilities.
- Acted as the volunteer champion, driving community engagement and promoting corporate social responsibility initiatives.
